BREAKFAST FROM THE FARM

Our Farm Shop is Moo Café's larder, local meat prepared by our Master Butchers, free-range eggs cooked fresh to order, Yorkshire dairy, traditionally made bread and plenty grown or made right here at Copleys.

FROM OUR FARM SHOP LARDER

We like knowing exactly where our breakfast comes from.

Our outdoor-reared pork comes from Mr Piercy near Tadcaster and is prepared by our Master Butchers. Our Angus × Limousin beef is grass-reared on local pastures, while our free-range eggs from Elliotts are cooked fresh by our chefs.

Luke's Bakery makes our sourdough by hand, and Gilchrist's in Leeds bake our other breads. Our milk and butter are Yorkshire produced, our honey comes from our own bees, and our strawberry jam starts with Copleys strawberries before being made in Copleys Kitchen.

The Farm Shop is Moo Café's larder. It's simply good local and home-produced food, made with care and shaped by the seasons.
