LUNCH FROM THE FARM

We like knowing exactly where our food comes from...

"Our butchers prepare quality meat, including outdoor-reared pork from Mr Piercy near Tadcaster, beef from local grass pastures & lamb from Lane End Farm. Our bread comes daily from Gilchrist's Bakery in Leeds and Luke's Bakery, alongside other quality ingredients from our Yorkshire suppliers.

We champion seasonal produce & make the most of what's grown on the farm & produced close to home, from our Farm Shop larder to our Copleys Kitchen preserves, jams & gelato.

It's simply quality local & home-produced food, prepared with care & guided by the seasons. If you'd like something tweaking, just ask. If we can, we will. Have a food allergy? Please speak to our team, as we can often adapt dishes or substitute ingredients to suit your needs."
