## CELEBRATING THEIR LIFE

*We endeavor to help you & your guests feel relaxed & at home, here are just a few ways we can make the day a little easier.*

Firstly, we would like to offer our condolences at what we appreciate is a difficult time. We would also like to reassure you the peace of mind that you will receive the same warm, welcoming & trustworthy service that we provide throughout the organisation process. Our dedicated events team will support you from the first meeting through to & during the day itself.

They will be able to help you decide which of our varied facilities & catering options are right for you, your family & friends to remember your loved one. Any of our menus can be tailored to you & your guests'

taste, with prices from £17.49 per person.

Our dedicated reception spaces include The Hayloft (*max 120 people*), The Nests (*18 people recommended*) or The Stable (*max 12 people*)

- Our Bakers & Chefs can make you their favourite cake, sweet treat or pork pie.
- Serve their favourite drink as a toast.
- Display images of loved ones throughout the day in The Hayloft on a digital screen.  
*(Please Provide on USB 24 hours before event)*
- Personalised room formulation.
- Reserve Parking, 5 minutes from Pontefract Crematorium.

### ON THE DAY

Your dedicated team will be outside to meet & greet you & your guests upon arrival, staying with you throughout the day & aiding anyone needing lift access & direction to The Hayloft, The Stable or one of The Nests (*The Chiffchaff or The Wren*).

We appreciate estimating guest numbers for funerals can be challenging, but don't worry, our chefs will be on hand to easily provide any extra required.
