## CELEBRATING THEIR LIFE

*We want you & your guests to feel relaxed & at home, here are just a few of the ways we can enhance your day.*

We understand that this is a challenging time. Firstly, we would like to offer our condolences & assure you the peace of mind of receiving the dedicated attention of one of our senior team throughout the booking process & on the day itself.

There are a range of facilities & catering options throughout this brochure to help you make decisions, if you would like our advice please just ask. Any of our menus can be tailored to you & your guests' taste, with prices starting at £15.99 per person.

Our dedicated reception spaces are available to you. They include The Stable (*max 12 people*), The Nests (*max 21 people*) or The Hayloft (*max 130 people*)

### TAILORED RECEPTION

We offer a fully tailored reception to allow you, your family & friends to remember your loved ones in a comfortable, relaxed and friendly atmosphere, just the way they would have wanted. Here are just a few ideas on how we can help.

- Custom playlists: we can play any style or era of music.
- Bespoke menu to their individual tastes.
- Our bakers can make you their favourite cake, sweet treat or pork pie.
- Serve their favourite drink as a toast.
- Display images of loved ones throughout the day in The Hayloft on a digital screen.

*(Provide on USB 24 hours before event)*

### ON THE DAY

Your dedicated team will be outside to greet you & your guests upon arrival. They will help get everyone settled in; help with those needing lift access and direction to The Hayloft, The Stable or one of The Nests (*The Chiffchaff or The Wren*).

We understand that funerals can be very hard when estimating the number of people joining afterwards, our team of chefs will be on hand to provide any extra catering that you may require.
